BRAND

Lyxo

Lyxo is an Italian brand that redefines outdoor and indoor spaces through bold, sculptural design. Crafted entirely in Italy, each piece combines architectural form with advanced rotational moulding technology to create furniture, planters, and lighting that are both functional and expressive.

Made from 100% recyclable polyethylene, Lyxo products are lightweight, durable, and resistant to weather and UV exposure — ideal for commercial and residential environments alike. The collection blends contemporary lines with playful shapes, adding character and creativity to hotels, restaurants, and public spaces.

Lyxo’s commitment to sustainability and design innovation reflects Italy’s strong design heritage. Their pieces invite flexibility — transforming open areas into distinctive, people-friendly spaces that come alive with colour and light.
