PRODUCT DESCRIPTION

COMMERCIAL PLASTIC BAR STOOLS FOR HOSPITALITY VENUES

The Air Bar Stool by Siesta is designed for cafés, bars, pubs, clubs and outdoor dining areas across Australia.

Manufactured in Europe from reinforced polypropylene, it delivers strength without excess weight.

UV stabilised and weather resistant, Air performs well in exposed environments including beer gardens, terraces and coastal venues.

Its stackable design makes it ideal for high-turnover hospitality settings where flexibility and storage matter.

- Commercial-grade polypropylene construction
 - Suitable for indoor and outdoor use
- UV stabilised for Australian conditions
 - Lightweight and easy to move
 - Stackable for efficient storage
 - Low maintenance surface

Ideal For

FORMLINE supplies Air Bar Stools for hospitality fit-outs, education spaces, function venues and casual workplace breakout areas.

Pair with compact laminate or timber bar tables to complete your commercial furniture specification.
