Our new Outdoor settings are constructed from steel tubing that has been galvanised (application of a protective zinc coating to prevent rust), and finished in a trending matte black powder coat as standard. It's hardwearing and low maintenance making it ideal for outdoor furniture use.

No Beer Garden would be complete without this 3 piece setting. With frames constructed from fully Galvanised Steel, the table and 4 matching stools are topped with Hardwood - making it incredibly strong. It is also resistant to whatever the outdoor elements (and customers or even friends alike) may put it through.

**We can provide these with wheels at one end of the table to allow for convenient movability**

**Outdoor Finish**

Finished in outdoor oils.

Our wooden outdoor tops are pre-treated with an oil-based treatment to help protect against weathering.

### **Maintenance**

With use, this product will require on-going maintenance to keep them looking great.

We recommend re-oiling to prevent cracking and extend its lifetime - [refer to our Care & Maintenance section](#) for full recommendations.
