

BALÙ OFFICE

The Balù collection is extended by adding the OFFICE version, with a swivel base with 4 metal spokes suitable for multifunctional environments, is proposed with a foam shell and with a tapered swivel base in chrome, white or black. The collection includes numerous chromatic variations and shades with the possibility of playing with different combinations. The deep and rounded seat of Balù invites relaxation and conversation. Armrests and backrest develop into a single band, enveloping like an embrace. The soft and compact padding enhances the formal cleanliness of the chair and promotes comfort. Warm and natural tactility for the upholstery, in velvet, leather or eco-leather or in one of the many fabrics with many color variations proposed by TrabÀ. The simple supports are slightly inclined and with a very dry line. Balù lives with simplicity in every room of the house, from the living room, to the study or sleeping area. Several Balù armchairs, also in different finishes and coverings, can be freely combined with each other, in different domestic situations as in contract spaces.

BRAND

Traba

TrabA' provides a reinterpretation of contemporary design, creating a unique style that does not merely follow in the wake of the latests trends, but offers an authentic way of living each and every space. The [chairs and tables](#) of the TrabA' collection arise from a fundamental requisite: to create a calibrated hybridization of tradition, modernity and innovation. The project was designed by emilio nanni for TrabA'. The designer has conducted an in-depth research into the concepts chair and table, reflecting on their archetypes and developing a new form of essentiality for this collection. The result is a series of universal products suited to the domestic and contract furniture markets and particularly suitable for bright and welcoming environments, eager for objects that add a touch of style and prestige, as well as a contemporary look, to private and collective living spaces. The wide range of seats on offer convey a sense of modernity with a twist, combined with a tangible quality reflected in a meticulous attention to detail and finishes, for a range permitting great versatility of use.

The logo for TrabA' features the word 'trab' in a bold, lowercase, sans-serif font. A vertical line is positioned to the left of the 't'. The letter 'A' is stylized, with a horizontal bar that extends to the right and ends in a small, angled hook.
