

BLOW ARM CHAIR

If extreme comfort is uppermost in your mind when choosing a chair, then you can’t go wrong with the Blow chair. The designer had striven to make it “the most comfortable upholstered chair in the world”. Elegant and voluptuous in volume, rounded and modern in design, Blow is in a class of its own. Its ability to be stackable up to three units is an added bonus. Both side chair and arm chair are available in solid beech and oak.
