

INFINITI BOOTH

Infiniti creates inviting and aesthetic social clusters for dining spaces through its versatile, rounded modular structure built to surround any sized table.

The outer frame of the Infiniti is comprised of sturdy hardwood internals clad with laminate and finished with a brushed metallic laminate kicker. The backrest is fixed to the inner lining, creating a clean "floating" appearance. The Infiniti can be configured in a half-circle design for greater access, or to further surround the central table for greater seating capacity ("horseshoe" shape). Each unit's overall length (and, by extension, its circumference) will depend upon the diameter of the central table it surrounds.

How it works

Create a truly unique interior for your space through our custom booth and banquette manufacturing process, where we will assist you in finding the perfect seating solution. Each design carries specific unit lengths, which can be lengthened and customised to suit any application.

To get started, we'll need to know:

- Your selected **booth style**;
- The intended seating capacity/**configuration** of the space;
- Your personal touches, selected from available **upholstery** and **framing finishes** (see

below).

Standard unit dimensions

Height
1000 mm

Depth
650 mm

BUILT WITH STRUCTURAL PLYWOOD FRAMING

Our commercial booth seating is constructed using structural-grade plywood framing, engineered for hospitality environments where durability matters.

Frames are built for long-term stability in restaurants, cafés, clubs and hotel dining spaces.

- Structural plywood construction
- Custom lengths & configurations
- Manufactured locally in Melbourne
 - Typical lead time: 5-6 weeks

COMMERCIAL-GRADE SEATING FOAM

We use premium-grade foam supplied by [Dunlop Foams](#), one of Australia's leading manufacturers.

High-density commercial foam supports long-term shape retention, comfort and durability in high-traffic venues.

- High-density commercial foam
- Suitable for high-traffic venues
- Designed for long-term performance
- Manufactured to commercial seating standards

CHOOSE YOUR UPHOLSTERY

Select from a wide range of commercial fabrics and vinyls suited to hospitality fit-outs.

- Instyle
- Warwick
- Wortley
- Kvadrat
- Maharam
- Laine

FREQUENTLY ASKED QUESTIONS

What is the typical lead time?

Our standard manufacturing lead time is 5-6 weeks depending on configuration and fabric availability.

Can I choose custom lengths?

Yes. Booth seating is manufactured to suit your layout, including straight runs, corners and wall-to-wall installations.

What foam is used?

We use high-density commercial foam supplied by Dunlop Foams, designed for long-term durability in hospitality environments.

Can I select my own fabric?

Yes. Choose from Instyle, Warwick, Wortley, Kvadrat, Maharam and Laine. Samples can be arranged on request.
