

BREZZA RELAX

The Brezza collection is enriched with a new, unexpected addition: the padded Brezza Relax armchair. Designed for outdoor spaces, it draws inspiration from the archetypal shape of two large cushions placed side by side, forming a seat with a generously rounded backrest.

A metal frame raises the upholstery a few centimetres off the ground, helping to keep the seat dry and clean. The armchair can also be paired and joined with other modules, creating a sofa that invites socialising and relaxation. Brezza Relax is also available in a special striped fabric, designed and produced exclusively for S•CAB, whose subtle colours give it a refined and understated look.
