

COSMOS TABLE C106 (HPL) - BAR

A collection of tables with a bold presence and various top pairings, designed to encourage gathering and shared moments.

The form of Cosmos is one of simple geometries: with its frame, it spreads its extruded metal bars upwards and outwards to support the top material, offering a reliable structure suitable for domestic and commercial applications.

In its HPL format, it is available in two height configurations, with a variety of signature surface colours suitable for outdoors. The frame is coated in our signature textured finish.
