

DROP TOP

We present the Drop Top Triple bin that allows multiple recycling in a single container with 3 different compartments in the lid due to its geometric shape. The three cavities are identifiable with a vinyl pictogram to choose between: glass, organic, general, paper or plastic. Made of galvanized steel and painted with baked lacquered thermoset powder. It includes an inner ring of galvanized steel that holds the bag. The total capacity of the three cavities is 120 liters, we recommend the use of 57x100cm garbage bags or 70 or 80 liter garbage bags.

BRAND

Systemtronic

Systemtronic is a Spanish brand recognised for its refined approach to functional design. Established in Valencia, the company creates furniture and accessories that balance simplicity, practicality, and visual harmony — ideal for offices, hotels, and public environments.

Every Systemtronic product is made in Spain using high-quality materials such as aluminium, steel, and timber veneers. The brand focuses on clean lines, modularity, and adaptability, ensuring each piece integrates effortlessly into contemporary spaces.

Systemtronic's collections include coat stands, planters, shelving, and accessories that support flexible and well-organised interiors. Their designs promote calm, efficient, and welcoming environments — where function and form work seamlessly together.

Hospitality Furniture Concepts proudly represents Systemtronic in Australia, offering architects and designers access to timeless European design tailored for commercial and public spaces.
