PRODUCT DESCRIPTION

EDGE HEIGHT ADJUST — ELECTRIC SIT-STAND DESK

The **Edge Height Adjust** is a **dual motor electric sit-stand desk** designed for commercial workplaces, education spaces and fit-outs. Configure sizes, screens, finishes and integrated power for hot desks, fixed workpoints and team pods.

- Height range: 630-1300mm
- Max load: 120kg
- Low noise: ≤50dB
- Desktop: 1200-1600 × 600-700mm
- Power + wireless charging options

Ask us about suitability: indoor offices, shared workstations, and options for high-traffic commercial use.
If you need **outdoor** or **coastal** suitability, share your site conditions and we'll confirm the best approach.

Ask about suitability

Why Choose a Commercial Sit-Stand Desk?

Sit-stand desks support flexible workstyles and help teams alternate between seated and standing postures.
For fit-outs, the key checks are stability, load capacity, power access, cable management and top finish durability.

Best for: offices, education, breakout workpoints, hot desks

Ergonomics: correct desk + monitor height seated and standing

Technology: plan power, USB, cable paths and access points

Finishes: melamine surfaces suit daily use and easy cleaning

Options, Finishes & Specifications

Use this as a configuration guide. Share your layout, screen count and power needs and we'll confirm the best setup.

[Screen Options & Sizes](#)

Screen option A

Screen option B

Screen dimensions

Lengths: **1190, 1390, 1490, 1590mm**

Width: **650mm**

Screens help reduce visual distraction and define personal space in open-plan and shared desk areas.

[Frame Colour Options \(RAL\)](#)

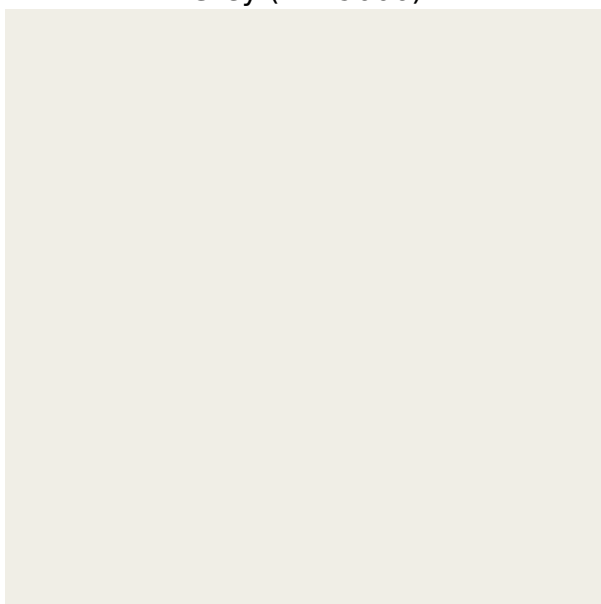

Choose a frame colour to match storage, seating and meeting tables across the workplace.

Black (RAL9005)

Grey (RAL9006)

White (RAL9016)

[Top Finishes \(Melamine\)](#)

Choose a top finish to suit your workplace aesthetic. Melamine surfaces suit high-use environments and are easy to clean.

Finishes can vary by batch and screen settings, so ask for samples if needed.

SIT-STAND DESK FAQs

[Ask a question](#)

What is a sit-stand desk?

A sit-stand desk is a height adjustable workstation that allows users to work seated or standing. Electric sit-stand desks use a motorised lifting system to change height.

Is Edge Height Adjust a dual motor desk?

Yes. This model is a dual motor electric lift table with a lifting range of 630-1300mm and a maximum load of 120kg.

What top sizes does it suit?

Desktop sizing is listed as 1200-1600 × 600-700mm. We can help confirm the best size for your workstation layout and screen setup.

Can I add integrated power or wireless charging?

Yes. Integrated technology options include above desk power and wireless charging, depending on configuration.

Do you offer cable management and accessories?

Yes. Options include cable troughs, sockets, snake tubes and keyboard trays. Tell us how many devices you need to power and we'll suggest a tidy setup.

Can you confirm suitability for indoor, outdoor and coastal environments?

Yes. Share where the desk will be used, cleaning routines, humidity and exposure conditions. For outdoor or coastal sites, we'll confirm finish and component suitability based on your brief.
