

GRACE F

The chair from the Grace collection, designed by Krystian Kowalski, is an elegant add-on to the workplace, reception areas, waiting rooms or relaxation zones. Classic style, distinctive design and a wide range of bases allow creating a chair that will meet the preferences and requirements of the user. The seat with a four-spoke base, available with or without castors, will add an interesting touch to the home office environment while providing maximum comfort of use. The variant with an upholstered leg is an option for less formal zones in the office whereas the one with the tubular base will perfectly fit in spaces with a loft and industrial character. The chair is available in a full range of MDD colours and fabrics.
