

MALVASIA RIVIERA

Malvasia Riviera is an outdoor accent chair designed to embody a sense of conviviality and relaxation.

Unlike the Malvasia chair, presented by S•CAB last year and defined by a structured metal weave, Malvasia Riviera stands out with a frame featuring a woven rope backrest, offering a warmer and more natural touch. The generous proportions of the armrests and the padded seat ensure immediate comfort. The use of tone-on-tone ropes allows for a wide variety of colour combinations, while the carefully crafted weave is intended to evoke the sensation of a fresh breeze providing welcome relief from the summer heat.
