

METIS DOT STOOL

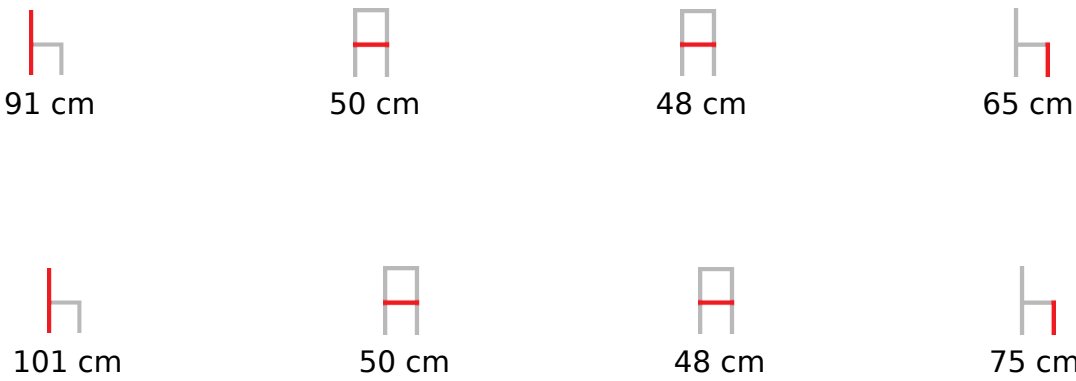

The collection includes the chair with or without armrests, the lounge version with or without armrest and the stool in two heights. In all versions, the tubular metal frame is complemented by curved, sheet metal backrests and seats with a decorative hole pattern that is a modern interpretation of the classic Viennese weave. Available in all standard and special colours, Metis Dot brings its unique style to indoor and outdoor spaces.

DESCRIPTION:

Stool with painted metal structure. Available in two heights and outdoor version. Optional seat cushion.

BRAND

Traba

TrabA' provides a reinterpretation of contemporary design, creating a unique style that does not merely follow in the wake of the latests trends, but offers an authentic way of living each and every space. The [chairs and tables](#) of the TrabA' collection arise from a fundamental requisite: to create a calibrated hybridization of tradition, modernity and innovation. The project was designed by emilio nanni for TrabA'. The designer has conducted an in-depth research into the concepts chair and table, reflecting on their archetypes and developing a new form of essentiality for this collection. The result is a series of universal products suited to the domestic and contract furniture markets and particularly suitable for bright and welcoming environments, eager for objects that add a touch of style and prestige, as well as a contemporary look, to private and collective living spaces. The wide range of seats on offer convey a sense of modernity with a twist, combined with a tangible quality reflected in a meticulous attention to detail and finishes, for a range permitting great versatility of use.

The logo for TrabA' is displayed in a bold, black, sans-serif font. The letters 'trab' are in lowercase, and the 'A' is in uppercase. A small, stylized mark is positioned to the right of the 'A'.
