

MOMENT - TWO SEATER CHAIR

A contemporary upholstered two-seater lounge designed to provide comfortable, versatile seating for commercial and hospitality environments. Its softly curved back and integrated arms create an inviting, supportive form, while the generous upholstered seat provides ample space for relaxed seating.

The lounge is supported by a slim four-leg metal frame, giving the design a clean and lightweight profile. Two loose cushions provide additional back support and can be positioned to suit individual comfort.

Suitable for reception areas, waiting spaces, breakout zones, hospitality venues and collaborative workplaces, this two-seater offers a practical seating solution for a range of commercial interiors.
