

FEALTY TABLE

COMMERCIAL TILED TABLE – MADE IN-HOUSE

This **tiled table** is manufactured in-house for hospitality and commercial interiors. Designed for cafés, restaurants, bars and hotels, it combines a solid structural base with a durable tiled surface built for daily service.

Each table is **made to order** and can be produced in custom sizes to suit your layout. You can nominate tiles from any Australian tile supplier, allowing you to match flooring, walls or brand finishes.

Key Features

- Australian made
- Custom sizes available
- Suitable for indoor and covered outdoor use
- Commercial-grade construction
- Compatible with porcelain and hospitality-rated tiles

Designed for Hospitality Use

The tiled surface provides a hard-wearing finish suited to high-traffic environments. It delivers visual depth and texture while maintaining the strength required for commercial dining settings.

Each top is sized to suit your nominated table base to ensure stability and correct fixing.

CHOOSE TILES FROM ANY AUSTRALIAN TILE COMPANY

You can nominate tiles from whichever Australian tile company you prefer. This helps you match existing finishes and keep your interior consistent across floors, walls and joinery.

How it works

1. Send us your required top sizes and quantities.
2. Nominate your tile product (or supply the tiles to us).
3. We manufacture the tops in-house and confirm fitment to your table base.
4. Delivery or install support available for project orders.

MADE FOR COMMERCIAL USE

Our tiled table tops are produced for busy venues where durability matters. For high-use areas, porcelain and commercial-grade tiles are a strong choice.

FAQ

Can we supply our own tiles?

Yes. You can supply tiles, or nominate a product and we can coordinate supply as part of your order.

Can you match our floor or wall tiles?

Yes. If the tile is suitable for table use, we can fabricate tops using the same product to keep the fit-out consistent.

Are tiled table tops suitable for outdoor areas?

They suit indoor and covered outdoor environments. For exposed areas, confirm tile type and installation details during quoting.

What lead time should we allow?

Typical lead time is 4-6 weeks for made-to-order tops. Project volumes are confirmed when we finalise sizes and tile selection.
