

PHIL TABLE

Combining simplicity and innovation. The standout feature of this collection is the arch-like metal band which brings a distinctive yet subtle character to an otherwise understated design. The standout feature of this collection is the arch-like metal band which brings a distinctive yet subtle character to an otherwise understated design.

Dimensions

Built to specification

Materials & Finishes

Custom built to specifications. Pictured with: Table top in white HPL with black edge and high gloss surface (thickness approx. 24mm). Base in solid natural oak with protective varnish, flat rolled steel powder coated black.
