

RE-MUTE

Multifunction lamp that can be used in two different positions: folded or unfolded. Its indirect lighting suppresses glare and shadows, creating a pleasant and comfortable environment. In the folded position, it can be used as a support table, showing off its industrialized oak laminate top.

BRAND

Systemtronic

Systemtronic is a Spanish brand recognised for its refined approach to functional design. Established in Valencia, the company creates furniture and accessories that balance simplicity, practicality, and visual harmony — ideal for offices, hotels, and public environments.

Every Systemtronic product is made in Spain using high-quality materials such as aluminium, steel, and timber veneers. The brand focuses on clean lines, modularity, and adaptability, ensuring each piece integrates effortlessly into contemporary spaces.

Systemtronic's collections include coat stands, planters, shelving, and accessories that support flexible and well-organised interiors. Their designs promote calm, efficient, and welcoming environments — where function and form work seamlessly together.

Hospitality Furniture Concepts proudly represents Systemtronic in Australia, offering architects and designers access to timeless European design tailored for commercial and public spaces.
