

## SOLIS S510 BAR TABLE BASE

The Solis collection of table bases is defined by a timeless, minimal silhouette suited for modern commercial and hospitality environments. Four cylindrical stainless-steel legs rise at a gentle angle before meeting within a central structural shell, creating a clean, architectural profile..

Crafted from durable, high-quality materials, Solis balances lightweight visual clarity with the stability required for high-traffic settings, ensuring durability in harsh outdoor conditions.

Available in three height options and compatible with multiple tabletop pairings.
