

VERTEX CHAIR

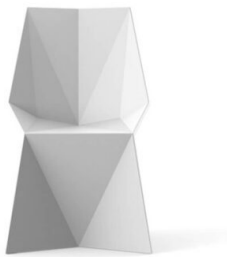

VERTEX is a set of table and chairs with triangular planes which join dynamically together to create comfortable forms suitable for dining or meeting rooms, banquet or lecture halls and other casual needs. VERTEX looks as if it was chiseled from a single block of material, what remains is structural yet, beautiful. The VERTEX collection was created to integrate a more conceptual architectural piece into our space, to give it a more sophisticated touch.

BRAND

Vondom

Vondom is a Spanish design house that creates bold, sculptural furniture for indoor and outdoor environments. Based in Valencia, the brand is celebrated for its distinctive forms, vibrant colours, and innovative use of materials. Every piece reflects Vondom's vision of transforming spaces into striking, contemporary experiences.

Crafted using advanced rotational moulding technology, Vondom products are made from 100% recyclable polyethylene and other sustainable materials. Their collections — featuring furniture, planters, lighting, and accessories — are designed to perform in demanding commercial settings such as hotels, resorts, airports, and public spaces, while maintaining their aesthetic appeal.

Collaborating with world-renowned designers like Eugeni Quitllet, Karim Rashid, and Ramón Esteve, Vondom merges architecture, art, and functionality. The result is furniture that embodies Mediterranean elegance with a global design sensibility.

Hospitality Furniture Concepts represents Vondom in Australia, offering access to the brand's full range of innovative, design-driven products for commercial, hospitality, and public environments.
